

ELECTRICAL DRAFTER

Introduction

Clean Energy Consulting (CEC) is a well-established BC company with offices in BC and the Yukon, dedicated to building outstanding projects. With involvement at all stages of project development, we strive to better understand and fully accomplish the desired project outcomes for our clients. Our self-directed, hands-on team enjoys the opportunity to be involved from concept through to operation. This allows our team to learn and improve while providing ongoing challenges and opportunities for development.

Summary

CEC is currently looking for an **Electrical Drafter** to join the team. This position will be primarily focused on assisting senior personnel in the provision of drafting services to our clients in the Electrical Engineering and Power Delivery sectors. The ideal candidate should be an innovative and imaginative individual with a strong attention to detail who enjoys tackling new and diverse projects.

Duties and Responsibilities

- Provide drafting services using AutoCAD software
- Assist with the preparation of design drawings for electrical and control systems
- Provide assistance from time to time with drawings of other disciplines such as mechanical and process
- Assist with the preparation of construction work packages
- Assist with the review of vendor drawings
- Travel to project sites may be required

Qualifications

- Post secondary education is required
- Strong knowledge of AutoCAD
- Knowledge of EPLAN would be an asset

Necessary Skills and Experience

- Displays superior communication and interpersonal skills, a high level of initiative, a strong work ethic, and the ability to work well under pressure
- Displays a high degree of accuracy and attention to detail in completion of tasks
- Knowledge of Microsoft Office software, particularly Excel and Word
- Knowledge of AutoCAD software is required; knowledge of EPLAN would be an asset
- Knowledge of electrical and control systems is strongly desired
- Knowledge of construction and design methods would be an asset

This person will report to the CEC Drafting team lead. The position is based in our Vancouver office. CEC offers a professional and engaging work environment with competitive compensation and benefits packages.

Please forward a resume with cover letter in PDF format by email to: careers@cleanenergyconsulting.ca. We thank all applicants for their interest; however, only applicants who are being considered will be contacted.
